To the Board of Directors,

Subject: Year-End Report, Board Motions, and Additional Resources

My Dear Brothers in the Lord,

Grace and peace be yours through our God and Savior, Jesus Christ.

As we approach the end of 2024, I am writing to update our ministry, submit two motions for approval, and share significant resources for the *D. James Kennedy Institute of Reformed Leadership* initiatives.

Year-End Report Highlights

Ministry Outreach

- Weekly content continues to reach myriad and diverse groups via platforms like Substack, YouTube, and Apple Podcasts.
- Published two significant books: *Approaching God* and *Lost and Found: Public Theology in the Secular Age*.
- Delivered theological content to global platforms such as Crosswalk.com and Logos Bible Software.

Upcoming Projects

- The release of *Deep Roots: Toward a Biblical and Theological Framework for Church Planting* (January 2025). This is the second in the DJK Institute series.
- A focus on pastoral counseling and mentorship through our Pastoral Residency Program.
- We want to get the material up and ready to use by all who will benefit.

Financial Summary

- **Cash on hand:** \$1,500 (Truist Bank, Faith for Living account).
- No outstanding debt.
- **Necessary ministry fees:** Paid in full for the year.

Motions for Approval

1. **End-of-Year Report:** Approval of the 2024 Year-End Report.
2. **Housing Allowance Form:** Approval of the updated housing allowance form based on the PCA's standard template.
 - You may reply to this email or text me at 980-229-3314.

Additional Resources

I am attaching the following resources for your review and reference:

1. A set of 12 video sessions corresponding to the Pastoral Residency training model.
2. The white paper, *Healing Clergy Burnout Through Theology and Practice*, outlines the scholarly foundations for the Pastoral Residency Program, emphasizing its role in addressing clergy burnout and attrition through supervised pastoral competencies.
3. The course syllabus for *Deep Roots: A Biblical-Theological Framework for Church Planting* is structured for graduate-level study and mentorship in church planting.

Personal Update

My health challenges from a progressive disorder have impacted my capacity, necessitating adjustments to project timelines. Nevertheless, with God's grace, the work continues. Your prayers and support are greatly appreciated as we press on in faith and reliance on God's provision.

Postscript

Please review the attached materials. Without additional assistance, progress on some initiatives has slowed. However, the resources are prepared and can significantly impact as we move forward.

Thank you for your faithful partnership and prayers as we seek to humbly and faithfully proclaim the unsearchable riches of our Lord Jesus Christ to as many as possible by all means available.

Yours faithfully in Christ,

Michael A. Milton, PhD
